

Monthly All-Parish Work Day is **December 9!**

Please join us at **10:00 a.m. on Saturday, December 9** for our monthly all-Parish Work Day!

Brotherhood, Sisterhood, Clergy, Choir – EVERYONE! We all need to chip in and take care of the property the Lord has given to us, just as we all need to work together to execute our beautiful Divine Services. Please mark your calendars now for every second Saturday of the month for an all-parish work day. Every season. Every month. Inside. Outside. Always every second Saturday starting at 10:00 a.m. please plan to join us to pitch in as we make our parish shine as the House of God that it is! Invite friends! Everyone is welcome! And it just isn't fair to expect that "someone else" will do this. We all own our parish in that the Lord has given us to be here, and for the responsibility that He has given us to care for His House.
