

Brotherhood report

02 – 28- 2018

Membership : 13 members

Budget : Total cash \$ 1110

Completed projects:

- . Installed a new billboard
- . Repainted the cross (every year)
- . Reorganized Storage facility.
- . Repare and maintenance of our truck and mowers. Again – this equipment is very old and needs to be replaced
- . Fixed outside lights at the rectors office and panomarka.
- . Cleaning of the lampadas (once a year, before Pascha)
- . Installed new icons at the Royal doors
- . New stand, shelves and lights for the kiosk.
- . Installed heating ducts to the kiosk, kitchen and utility room
- . New window in the kitchen
- . Inspection of the kitchen power lines
- . With the extreme cold weather in the end of January

our water pipes in the utility room were frozen and eventually broke with the half of our main floor flooded. It took 4 days to fix the damaged pipes and to dry floors and carpets. Damaged laminate will be replaced, hopefully before Pascha. Negotiations with insurance company pending.

. Brothers are plowing snow and mowing grass on the regular basis, cleaning territory, and also participate in the major projects, such as a Russian festival, School project, church cemetery.
