Membership : 25

Budget :

- Balance from 2021 \$ 777
- Expected collection for 2022 \$ 625
- Total cash for 2022 (expected) \$ 1302

Completed projects:

There was low activity in 2021-2022 due to Covid.

- \* There were several work parties in and around the barn, as well as in the small (blue) storage. In the barn preliminary plumbing for proposed future toilet was laid down and floor base prepared for cement pouring.
- \* Small plastic shed for extra chairs and supply was installed behind the church, along its North wall.
- \* The trench for the electric line was dug between the barn and the school building with pipe laying and cabling.
- \* In the school building a plumbing system for future toilets was laid down and the floor base was leveled prior to the concrete pouring.
- \* Bell tower cupola was repaired.
- \* Kiosk was remodeled.
- \* Brothers provide regular grass mowing and snow plowing as well as repairs and maintenance of the truck and mowers. This January however, there were problems with the plow and we were unable to clean the territory for some time .
- \* We have the generator delivered, but are still unable to install it due to weather conditions.
- \* Brotherhood worked hard to make our festival a success.
- \* Brothers also provide minor repairs and maintenance, participate in cleaning the territory and major events.
