

Matthew 25

Update: October 2022

Lexi, a mother of 6-year-old twins, was under-water in car debt. Lexi is trying to make a better life for her family studying to be an airplane mechanic in the mornings and driving a semi-truck on second shift while her mother tends the children. She needed an affordable & reliable car. Local charities of Dexter in conjunction with St. Vladimir Church & Germain Honda of Ann Arbor has provided her with a great Honda Civic fully serviced, new tires and ready to last for years.
