

Effectively Communicating with and Praying for your Spouse

Saturday, February 25, 2023

Cost: \$25/Couple

With Archbishop Peter's blessing our St. Vladimir parish is sponsoring a one-day marriage retreat on Saturday, February 25, 2023 with the topic: ***“Effectively Communicating with and Praying for your Spouse”***. *All couples, including those considering marriage, are urged to participate!*

This is about care and maintenance of the Church's core social foundational entity. If our marriages are strong our families will be strong! And if our families are strong our parish will be strong! And if our parishes are strong the Church will be strong! Do your part to make the Church strong by registering today for our parish marriage retreat:
