

# SPRING AND SUMMER BRINGS MISSIONARIES TO OUR DOORS - **SHARE THE ORTHODOX FAITH**

As the weather improves missionaries from various religions tend to appear at our homes. At St. Vladimir's we have many pamphlets and booklets on the Orthodox Faith that are free for anyone to take. These can be found at the back of the church near the main entrance doors. **Please feel free to take information home with you to share with the missionaries that come to visit you.** It seems only fair that if they want us to take their information that we offer them information about Orthodox Christianity. Many missionaries have found the Orthodox Church in this way. No one is mandated to do this, but if you would like to you are welcome to. Please feel free to contact Fr. Gregory with questions in this regard.
