TUITION PAYMENTS

Tuition deposits and/or payments can be made by personal check or money order made payable to 'St. Vladimir Orthodox Church,' and please ensure to write a note in the memo area, if applicable, to identify your payment (e.g., 'deposit' or type of payment plan, as indicated in the information section of the payment plan of your choice; see below). Payment by personal check or money order can be mailed to the school at:

Administration Office
Ann Arbor Orthodox Classical Academy
9900 Jackson Road
Dexter, MI 48130

If mailing your tuition deposit, please notify us through e-mail at info@a2oca.org and include a copy of your completed and signed Tuition Contract Agreement. There may be the option to make the tuition deposit and payments through electronic funds transfer. If interested in this option, please contact us at info@a2oca.org for more information on how to enroll.

Tuition for those wishing to enroll in the single payment plan (see option 1) is reduced slightly and due before the start of classes on September 19, 2022, unless alternate arrangements have been made in writing with Irene Melabiotis, the Head of School (Interim), at imelabiotis@a2oca.org. Tuition for those wishing to enroll in the trimester payment plan (see

option 2) or monthly payment plan (see option 3) involves paying the tuition deposit in advance to secure the child's enrollment (due at the time of application submission, unless alternate arrangements have been made in writing with the Head of School), with the remainder of tuition divided into several equal payments, depending on the payment plan chosen.

If at any point you experience difficulty making a tuition payment, please reach out to us as soon as you are able to, so that we can work together to find a solution.

***** Program availability is dependent on meeting minimum enrollment. Payments made by check will remain uncashed until minimum enrollment is met. If a program is canceled due to low enrollment, we will notify you and return your checks/payments. *****

TERMS AND CONDITIONS

Payment of Tuition

1. Tuition for the 2022–2023 school year shall be paid in full by the due date(s), in accordance with the tuition payment deadline(s) set out in your selected tuition payment plan.
2. If a tuition payment is forty-five (45) days overdue, A2OCA may take any or all of the following actions, at the School's sole discretion, unless special payment arrangements have been made in writing and signed by the Head of School:
 - (a) Assess late fees on account in arrears
 - (b) Withhold academic records, transcripts, or diploma
 - (c) Withdraw student from class
 - (d) Send account in arrears to collection agency
3. Any student account with an unpaid tuition and/or fees balance for the current school year will not be permitted to register for the next school year until the current year's tuition and fees are paid, unless special arrangements have been made in writing and signed by the Head of School. School records, transcripts, or diplomas will not be released until all outstanding tuition charges and fees have been paid in full.
4. If one parent signs the Tuition Contract when married, both are liable for the student's school tuition; if one parent signs the Tuition Contract after they are divorced, only that parent is liable to pay the student's school tuition; if someone other than a parent signs the Tuition Contract, neither parent is liable and the signee is liable to pay the student's school tuition.

Refunds

5. For those wishing to withdraw enrollment of their child(ren) under the option 1 payment plan, sixty (60) days' written notice to Irene Melabiotis, the Head of School (Interim), is required at imelabiotis@a2oca.org. Please note that full prepaid tuition is non-refundable.
6. For those wishing to withdraw enrollment of their child(ren) under either the option 2 or option 3 payment plan, sixty (60) days' written notice to Irene Melabiotis, the Head of School (Interim), is required at imelabiotis@a2oca.org. Please note that the tuition due during the 60-day notice period will be billed to the family account; if this amount has been paid in advance, it is non-refundable.
7. A2OCA reserves the right to withdraw a student from the On-Line Learning Program if a student or parent/legal guardian has broken the School covenant three times, after two prior written communications about such future actions resulting in the student's withdrawal from the School. In such instances, full prepaid tuition is non-refundable and those with outstanding annual tuition balances on their accounts will be responsible to pay those amounts in full.

General Terms and Conditions

8. I/We acknowledge that the terms and conditions of the School's policies, which are available on the A2OCA website (and a hard copy of which can be provided to me upon request), are hereby incorporated into this Agreement.

10. I/We acknowledge that I/we and my/our student(s) will abide by the School's policies and guidelines as communicated in the Parent–Student Handbook.

11. I/We acknowledge that if two checks are returned for NSF, A2OCA will no longer accept personal checks, and I/we will be required to pay any school fees in cash or by certified check from a local bank.

12. I/We acknowledge that A2OCA will not reserve a place for my/our student(s) for the 2022-2023 school year until after I/we have submitted a completed and signed Tuition Contract, along with all necessary documents and my tuition deposit for each enrolled student (if applicable).

13. I/We acknowledge that my/our student's eligibility for re-enrollment for the 2023–2024 is conditional upon all fees on the family account being paid, my/our student's successful completion of the previous school year's curriculum, and my/our completion and submission of my/our student's re-enrollment form.

14. I/We acknowledge that A2OCA reserves the right to deny enrollment to any student that the School determines is unsuitable for enrollment. Such instances may be determined by (a) the student's performance on the entrance assessment, and/or (b) the School's inability to adequately provide the necessary learning supports for students with special learning needs.
