Policy: Child Safety

St. Vladimir Church Minor Child Behavior Policy

1. Parents and guardians have sole and complete responsibility for the conduct of minors.
2. Minors must behave respectfully towards the parish, the community, and each other.
3. The parish reserves the right to ensure a safe and healthy environment for all parishioners. All parishioners deserve to participate in parish life without harassment or fear.
4. Activities outside parish property or outside of parish-sanctioned events are beyond the control of the parish.
5. If a minor's behavior causes problems within the community, the Rector, Parish Council, or their designee may work with the parents and guardians to address the issues.
6. If necessary, the Rector and Parish Council may adopt a plan to deal with repeated behavior problems. This may include limiting or restricting attendance at parish activities, except for Divine Services.
7. Violent behavior will not be tolerated, and parents and guardians must ensure that it does not happen.

If you have a concern based on this policy please contact the parish Rector.
